

Creation or Evolution?

Were we (human beings) “made” by God or did we “evolve” from other species?

Evolutionists say:

Creationists say:

Four Ways to Synthesize Science & Scripture

- 1) Theistic Evolution – gradual evolution supervised by God

- 2) Progressive Creationism – one day is 1,000 years to God (Psalm 90:4)

- 3) Gap Theory – a lengthy period of time passed between Gen 1:1-2

- 4) Literal 24-Hour Days – God made the world in six 24-hour periods

What are the implications of being “made” by God?

- ❖ “Fearfully and wonderfully” (Psalm 139:4)

- ❖ We are not our own (Psalm 100:3)

- ❖ We are a little lower than angels and a little higher than animals (Psalm 8:5-8)
